Hospital Election At Squaw Valley Is Set August 29

An election will be held at the John Mortizia residence in Squaw Valley, Tuesday, August 29, to determine whether or not the Squaw Valley community shall be annexed to the Tahoe Forest Hospital District.

There are some 60 voters in the affected district.

The polls will be open from 7 a. m. to 7 p. m. and the election board comprises Mrs. Louise Geier, inspector; Mrs. Ann Martin, judge, and Mrs. Sophia Baker and Mrs. Becky Shontz, clerks.

The resolution to call the election was passed by the hospital board following a public hearing during which no objections were voiced against the proposed annexation.

Administrator John J. McGlade of the hospital said that a number of residents of the area had suggested the annexation and that because of the frequent use made of the facilities by residents and visitors to Squaw Valley it was felt that it was only fair they should contribute to the support of the district.

McGlade pointed out that since the district was organized in 1952, the average annual tax rate has been only 21½ cents. This included bond redemption and interest as well as maintenance and operation of the hospital facilities. He pointed out this fact out in emphasizing the low cost to the taxpayers of the district and to show that possible higher taxes cannot be used as an argument against the annexation.

Donner Votes To Float Bond Issue

For the second time within a month, voters of the Donner Summit Public Utility District have approved the $70,000 bond issue to finance a new source of domestic water supply.

At the election held Tuesday, the count was 32 to 2 in favor of the proposition and when the absentee ballots are counted Monday, it is expected this margin will be increased six or eight votes.

At the first election, held July 11 and later declared irregular because of a technical error in the ballots, the vote was 34 to 2 in favor of the bonds.

The money from the sale of the bonds will be used to bring water from Lake Angela instead of Lake Mary to provide a more adequate supply and purer water.

HELICOPTER HERE TO SPOT FIRES IN AREA

The helicopter which chatters over the district almost daily is rented by the forest service as a means of spotting fires.

It is normally based at Big Bend but during the critical period of lightning fires has been working over the local district and a base has been constructed at the Truckee ranger station for its visits.

The 'copter is from the James Mead Helicopter Service at Yreka and is piloted by Alan B. McKechnie. The whirly-bird is also used to land two or three fire fighters in an initial attack on incipient fires in hard to reach spots in the forest.

NEW PLAN DIRECTOR VISITS TRUCKEE AREA

William N. Roberts, director of planning for the Nevada County Planning Commission, was here this week getting acquainted with the eastern end of the county and local residents.

Roberts was employed a month ago to have charge of the county planning and is enthusiastic over prospects for future development of the entire county.

BOATER IS RESCUED IN DONNER ACCIDENT

Ray Phillips, 56, Marysville, was rescued from his overturned sailboat yesterday afternoon by Gene Verdi of the Nevada County marine patrol.

A call for aid came to Sergeant Roy Waters of the sheriff's department and Deputy Robert Schooley was dispatched to the scene and arrived as Verdi set out for the victim.

Three On 11th—

Friends and relatives of April Lander, Mrs. Eugene Welch and Charles Heller will be wishing them many happy returns of the day, tomorrow as the three local people will be celebrating their birth dates with their respective families.

From Oakland—

The Henry Bennett family of Oakland has been vacationing in this vicinity.

In Capital—

Mrs. William Stevenson was a Sacramento visitor last week.

Many Events Are Planned By Local Horsemen's Group

Another link between Truckee's colorful past and its expanding future was closed Friday night when a group of Truckee Donner business people and horse lovers in the area met under the chairmanship of James Sampson to discuss the formation of a new club, tentatively named the Truckee-Donner Horsemen.

The group will be organized to sponsor civic projects and bring this recreational area into prominence.

The meeting was held at Hill Top Lodge and attended by 35 prospective members.

A number of future events, including a wagon train which will form in the Truckee Meadows east of Reno and follow the old emigrant trail to Donner State Park next summer. The event will be timed to assist in dedicating the new Donner museum, Sampson said.

A junior drill team, trail rides and possibly a rodeo are all planned for the future.

The first event scheduled will be an early morning trail ride from Hill Top Lodge and the Martis Valley stables, Strawberry Meadow on Martis Creek starting at 6 a. m., Sunday, August 13. An outdoor breakfast will be prepared under the direction of Cal McKinley, trail boss, of Martis Valley. Breakfast will be served between 7 and 8 a. m. and all local residents are invited to attend. Horses may be obtained at the Martis Valley stables and families are urged to attend.

Forgery Suspect Enters Guilty Plea

Leslie Warren Rose, 48, who pleaded guilty in the Truckee judicial district court to a forgery charge last Thursday will be sentenced in the superior court by Judge Vernon Stoll on August 24.

Rose, who arrived here July 22 supposedly to organize an operating engineers union local, pleaded guilty to issuing a worthless check to the Tourist Club in the amount of $420.

The suspect left town immediately after cashing the check, Deputy Sheriff Roy Waters reported and an all points bulletin was issued for his arrest. He was apprehended at Lake Tahoe and returned to Nevada County for a hearing.

He entered the guilty plea and bail was set at $3,150, which he was unable to pay as a result he is spending the time in the county jail.

MRS. SAARNI FETED BY TRUCKEE GROUP

Mrs. Roy Saarni who will soon leave with her husband and children to establish their home in San Diego, was honored at a coffee Saturday morning in the home of Mr. and Mrs. James Walker, with Mrs. Walker and Mrs. Robert Leamon hostesses of the affair.

Girls who had been in Mrs. Saarni's Girl Scout troops presented her with a gift and pictures of the group as a going away remembrance and in appreciation for her active interest in the organization.

Mesdames Wesley Sauby, William Randall and Lauren Russell were also guests.

DONNA McREYNOLDS ENDS FLIGHT COURSE

C-2 Lt. Donna McReynolds, Truckee Tahoe Composite, Truckee, received her graduation certificate after attending a two weeks introductory flight traffic specialist course at Tinker Air Force Base, Oklahoma. She was among the CAP personnel representing 13 squadrons and four wings of the western states.

License Issued—

George Warren Kenyon, 20, and Sharon Leah Dollar, 18, both of Truckee were issued a Reno marriage license last week.

At Bay—

Joe Straub and Barry Leamon were weekend guests of Mrs. E. Hall, Straub's grandmother at Berkeley.

Hedlunds Here—

The Kenneth Hedlund family of Sacramento visited friends here on Sunday.

Lightning Fires In District As Storm Brings Moisture

Seven lightning fires, all small and quickly extinguished, were started by the storm which blasted this area Monday afternoon and evening, the U. S. Forest Service Truckee station reported.

One of the fires started on Jackass Hill just west of Highway 89 near the S. P. tracks, one at Blackwood Creek and the others all in the Boca area where the storm was the heaviest.

The storm brought .26 of an inch of rain in the Truckee district which was on the west fringe of the downpour.

At Boca, however, 2.78 inches were recorded as the flash floods, washouts and hail tied up traffic and caused a number of vehicle accidents between there and the state line.

Temporary power failures were reported throughout the district, but only of minute durations.

While the rain may have lessened the fire danger somewhat, the undergrowth is still explosive and forest service personnel warns against breaking the strict rules which have been in effect.

More Money Seen For Airport Work

Word received this week that bills are before congress for federal grants of some $375 million for airport development, that will assure $16 million for California during the next five years, caused Chairman John Houlgate of the Truckee Tahoe Airport District to predict that this should assure the completion of the local airport to its fullest and best capacity.

The district, said Houlgate, has requested a $100,000 grant for the current fiscal year, to continue with the second phase of its program.

The first phase, plans for which are completed, and the call for bids, only await final word from the federal aviation authorities, call for the expenditure of approximately $110,000 for grading, sub-surfacing, topping and fencing a runway 5,000 feet by 50 feet, and installing some minor facilities. The District has already spent approximately $60,000 for land and engineering studies and plans.

The federal agency has granted the sum of $94,700 to apply on the work under phase one.

The second phase, Houlgate said, will enable the district to lengthen and strengthen the runway, build a taxiway, a small administration building and install some utilities.

A meeting that was to have been held last Wednesday night was postponed said Houlgate on account of the absence of the receipt of the current assessed valuation from both Placer and Nevada Counties. Assurance has been given by Auditor William Stephens of Placer County that this information will be available in time for a budget meeting planned to be held on Tuesday, August 15.

THREE GIRLS BORN AT LOCAL HOSPITAL

Three little girls made their debut upon their arrivals in Tahoe Forest Hospital within the week for their respective parents, including Tammy Jean on August 4 who was greeted by her parents, Mr. and Mrs. Albert Sanders of Truckee. Her initial weight was 6 pounds, 15½ ounces.

The same afternoon, August 4, Rev. and Mrs. Franklin Evans of Squaw Valley welcomed their daughter, Carolyn Bronwyn who tipped the scales at 7 pounds, 10½ ounces.

Allison Helene was a round 8 pounds upon her arrival August 9. She is the daughter of Mr. and Mrs. James Hamill of Sierraville.

Clarence Oddie Dies

Clarence Meigs Oddie, San Francisco attorney and brother of the late Tasker L. Oddie, former governor and U. S. senator for Nevada, died in a Reno hospital Friday afternoon after having suffered a stroke earlier in the day at his summer home at Brockway, Lake Tahoe. He was 85.

BOARD MEETING

Directors of the Truckee Cemetery District will meet Monday, August 14 at the Toggery to transact routine business. The meeting will be at 2 p. m. and Robert Bick, chairman, will preside.

Editors Of Sierra Sun Observe 25th Anniversary Here

Sunday, August 13 will mark the silver anniversary of Mr. and Mrs. Walter Barrett as active owners and publishers of the Sierra Sun and Truckee Republican.

They sincerely appreciate the progress which has taken place in the Truckee and North Lake Tahoe area during the past 25 years and are grateful for the many friends who have helped with the countless recording of events in the communities.

The publication has had an interesting record of history and has been consistently serving the continually expanding recreational area since 1869.

Board Approves Land Purchases

The board of supervisors at their August 1 meeting approved the purchase of three pieces of property in Nevada City and one in Truckee for the county building program.

The purchase price will come to $60,000 of which $20,000 was encumbered from the 1960-61 budget and $40,000 contained in the current budget.

Since the county cannot spare this relatively large amount of cash at the opening of the fiscal year, the board asked County Auditor John T. Trauner to contact the owners of the property and arrange a payment plan through the fiscal year.

By resolution, the board adopted the 1961-62 budget of $3,617-871.03, which will mean a tax increase of approximately 16 cents per $100 assessed valuation, as previously predicted. The amount does not include school or special district costs.

The board voted to establish the office of public defender, a matter which has been under board discussion for several months. The action was recommended by the Nevada County Bar Association and Superior Judge Vernon Stoll. The salary was fixed at $6,000 a year for a part-time appointee.

FORMER LOCAL BOY IS MARRIED IN RENO

Edwin S. Bottel of Fresno, formerly of Truckee and Karen Kaye Kroeker of Fresno were united in marriage Saturday evening at 8:30 p. m. in the Park Wedding Chapel in Reno. Paul Verlinde of Fresno served as best man and Leilani Braasch of Truckee, cousin of the bridegroom, was the maid of honor.

Friends and relatives of the happy couple attended the ceremony.

After a honeymoon in southern California, the newlyweds will make their home in Fresno.

RECREATION WILL BE SUBJECT OF MEETING

Residents of the Lake Tahoe area are especially invited to attend a Tuesday, August 15 meeting to convene at 8 p. m. in the court house at Auburn to be held by the Placer County Recreational Commission of which S. D. Dennison is chairman.

All individuals and groups are asked to appear at the meeting to discuss recreation interests of the people of Placer County so that a work program for various projects may be set up for the 1961-62 period.

WEDDING

Marguerite Jeanne Hildebrand, Sacramento, became the bride of John Lafayette Green, Jr., August 5. Members of the immediate families witnessed the ceremony in the United Church of Squaw Valley in Olympic Valley and attended the reception in the Squaw Valley Lodge.

ATTEND SHOW

The P. H. VanVliets were on a two-day buying trip to San Francisco this week. They reported that it was the largest gift show ever staged in that city and they were impressed with the American made products on display.

Kearneys Visit—

Frank Kearney of Rocklin, Mrs. Margaret White and three children of Roseville and Mr. and Mrs. L. C. Kearney of Citrus Heights were here last week visiting friends and relatives.

Plans For Annual Buck Derby Will Be Made At Meet

Plans for the second annual buck derby, sponsored by the Truckee Outdoor Sportsmen, will be made at the meeting of that organization tomorrow evening at Capitol Hall.

C. V. Osburn, chairman of the committee in charge of the derby last year, said a number of changes are being planned but that generally the project will be carried on as in the past. Trophies, he said, may possibly be substituted for the prizes.

The derby will embrace all hunters and there is no obligation involved to enter.

Last year the club presented a weekly prize with a grand prize going to the hunter with the heaviest deer killed during the season. This same plan is contemplated for the coming year, although details will not be known until after the meeting tomorrow.

The derby includes hunters in Sierra, Placer and Nevada Counties in this district.

Robert Moore, recently elected president of the club, will preside at the meeting and refreshments will be served.

Lake Pumping Is Not Anticipated

Although western Nevada may face a critical water problem between now and September 1, there seems little likelihood that pumping from Lake Tahoe will be necessary.

This is the opinion of a group of water experts meeting today with the governor's committee on pumping from Lake Tahoe.

One of the committee members, W. W. White, state health engineer, said that in any event there would be no consideration given to pumping from the lake other than to meet domestic and sanitation needs.

Fred Fletcher, president of Sierra Pacific Power Company said present forecasts indicate his firm will not require water except that which comes from natural flow and reserve sources.

State Engineer Ed Muth said Nevada would never be able to pump from Tahoe unless Independence Lake and the rest of the water sources are emptied.

Louie Gardella, Washoe County extension agent, told the committee that none of the farmers have indicated they want to start pumping.

SHERRY BORDEN IS FETED AT SURPRISE

Sherry Borden was the incentive for a surprise birthday party given by Mr. and Mrs. Elwood Buehler last Saturday in their home at Meadowlake Park. Moving pictures were taken of each guest on arrival and of the young honoree cutting her cake which was beautifully decorated with silver ballerina dancing dolls.

Sherry opened lovely gifts and greeted the following during the enjoyable afternoon; Mrs. Harry Eaton, Janice Eaton, Miss Rosalee Reid of Grass Valley, Randy and Linda Russell, Cookie Metcalf, Sherry Comola, Cyndie Knight of El Cerrito, Lynn Quartly, Michael Borden, Janice and Easton Buehler from Costa Mesa, Frank Borden.

MARY ZUNINO HURT IN HOME ACCIDENT

Mary Zunino, proprietor of Mary's Beauty Shop had the misfortune last week of injuring her eye in an unusual accident while mopping in her place of business.

While holding the mop, Mrs. Zunino reached to pick an object from the floor, the handle pushing into the eye. Her many friends are hopeful of her early recovery from the injury.

License Issued—

Eugene Bauer, 47, of Tahoe City and Iola Johnson of Duarte, California were issued a license to marry at Carson City, Nevada.

Raus Home—

Mr. and Mrs. John Rau have returned to their home at Roseville from a trip to Wishek, North Dakota.

Longos To Ft. Bragg—

Mr. and Mrs. Francis Longo returned from Ft. Bragg where they were weekend guests at the summer home of friends.

Chamber To Host Officials As New Post Office Opens

The Truckee Donner Chamber of Commerce has virtually abandoned plans to finance a survey of the area to determine whether or not incorporation is feasible but at the same time authorized a thorough economic survey of the fifth supervisorial district.

It was held that the economic survey will bring out information important to the future development and planning for the district which would not be included in the incorporation survey. Shortage of funds prohibits both surveys at this time.

Cecil Edmunds was appointed to head a committee to organize the research with Chamber Manager N. F. Dolley volunteering his assistance in the project.

Events Planned On Local Golf Course

Members of the Shadow Valley Country Club held their regular meeting Monday evening at the club house. Plans were made for at least two forthcoming tournaments to be held on the home course.

The first will be held on September 3 and will be called the Shadow Valley Annual which will be open to the general public using current handicaps. Trophies will be awarded to the winners. This will be followed by a spararib barbecue for all participants. The tentative charge will be $2.50 for golf course members and $5 for others.

These charges will include the green fees, trophies and the barbecue.

The second tournament will be the club championship which will also be a yearly affair. This will be for club members only and all participants are asked to check at the club house or with tournament chairman Lauren Russell for full

The meeting will be at Donner Lake Lodge and hostesses will be Janet Franklin, Bobby Jang and Donna Warnke. Reserve next Thursday, August 17 for your auxiliary meeting.

DR. WYATT IN MORE LAW DIFFICULTIES

REDDING — A $250,000 suit charging malpractice is on file in the superior court here against Dr. Thomas Wyatt, former Redding physician convicted in Reno, Nev., on an abortion charge. The Nevada case has been appealed to the state supreme court.

The local action was filed by Shirley Madison, who asserts Dr. Wyatt performed a negligent and unskillful operation on her in the hospital he formerly owned here.

IN HOSPITAL

Mrs. Jack Pistoia is a patient in Tahoe Forest Hospital according to her sister, Mrs. Mary Kohler. The latter also said a ceramic figure of St. Francis which had formerly been standing in a niche in their garden has apparently been taken from its usual place.

Many Accidents Are Reported In Area During Week

A series of motor vehicle accidents were reported during the past week by the California Highwap Patrol.

The most spectacular and serious was one last Friday morning at 6 o'clock in which a gasoline tank truck and trailer, driven by Melvin R. Bedegren, 35, Sacramento started down the wrong lane of the freeway near Donner State Park and collided with a pickup driven by Ronald Miller, 30, of Truckee.

Bedegren was traveling east and apparently got confused on the lanes near the overpass and failed to see the new pickup driven by Miller approaching. Miller's vehicle struck between the wheels of the big truck and was completely demolished.

The driver escaped with serious face injuries and was taken to the Tahoe Forest Hospital. Patrolman Carroll Maynard made the investigations.

Rain Causes Mishaps

Hail and a flash flood between Boca and the Nevada stateline Monday caused a series of accidents, with at least half a dozen being reported and others of lesser nature.

Cars driven by Albert Ing, San Francisco, and Lt. Thomas Daley of Madison, Wis., collided in the slush and Lt. Daley was taken to Stead Air Force Base with injuries. The crash occurred at 3:30 p. m. Monday near Hirschdale.

Herbert Ong, 27, Marysville, was taken to the Tahoe Forest Hospital after his car overturned several times after running into hail covering the road near Farad at 3:45 p. m. Monday. He lost con-

Season Is Ending For Little League

Directors of the Tahoe Truckee Little League will meet tomorrow night at 8 o'clock in the Community Center at Tahoe City at which time they will decide the dates of the three make-up games to be played following the close of the season today.

In today's games, Truckee will be at Kings Beach and Tahoe City at Donner Lake.

The little leaguers will travel to Reno Saturday as guests of the Reno Silver Sox and will witness a pro game at 7:45 p. m. All players, both major and minor should contact their business manager for details before Saturday.

Monday, July 31, Kings Beach defeated Truckee 9 to 2 while the minors won their game 28 to 13.

In last Thursday's games, the Truckee minors lost to Donner Lake in a close 12 to 11 fast contest. In the major games, Truckee crushed Donner Lakers 13 to 6 in a game sparked by the brilliant playing of Bill Waters. He struck out 11 cubs and with the support of George Francischini went on to win. In the fourth inning Francischini hit a bases-full home run to bring the Truckee team from behind and give them the drive to win.

Monday, both games at Kings Beach and Truckee were rained out.

ACCORDION LESSONS AVAILABLE LOCALLY

Yvonne Webb announced this week that she is the representative of the Neronde Accordion School of Sacramento, in Truckee, Donner Lake and Lake Tahoe vicinity.

Private lessons, sales of the well known instruments as well as rentals may be obtained by contacting her in Truckee. An announcement advertisement is on another page of the Sierra Sun.

GIFT TO HOSPITAL IS MADE BY LAKE CLUB

On behalf of the directors, J. J. McGlade, administrator of the Tahoe Forest Hospital this week acknowledged receipt of a donation of $200 from the Women's Club of North Tahoe.

In accepting the donation, McGlade said that the district is currently considering plans for expansion of the hospital facilities.

The expansion, he said, was necessary to meet the increasing health needs of the area. The board hopes to have a definite plan by November, he advised the club members.

FOUR LOCAL YOUTHS TAKE PART IN CAMP

Betty Saarni, Timothy McLane, Kent Fugazi and Fosten Wilson are enrolled in the Tahoe Music Camp for two weeks, taking part in the fifth annual event.

An all school concert will be heard Friday night, August 18 to which the public is invited.

COUNTY DEMOCRATS PLAN FUND RAISING

The Nevada County Democratic Central Committee held its monthly meeting at the home of Mr. and Mrs. Ed Nygaard in Grass Valley, last Thursday evening with eight members present. Cecil Edmunds represented the Fifth District.

There was some discussion on ways and means to get local democrats to take a more active part in the affairs of the local committee. It was decided that in lieu of a house to house canvass for the "Dollars for Democrats Fund" this year, a "Coffee and Do-nuts Rally" would be decided upon. Several prominent state party leaders are to be invited. Those not able to be present will be invited to contribute to the "Dollars for Democrats Fund" in the usual manner.

Most state officials as well as Congressman Harold Johnson, State Senator Ron Cameron and Assemblyman Paul Lunardi are up for re-election and in view of their record, confidence was expressed, that they would be returned to office.

To arouse interest in the young people of the county in party politics and good government, enthusiastic endorsement was given to a suggestion, made by Chairman Elmer Lewis, for an essay contest among the high school students of the county. The subject chosen was "The Benefits of the Two Party System in our State and Nation." Mrs. Katherine Ayala was appointed chairman of the committee to contact the school authorities and arrange for the details.

San Bernardino, San Diego, Sonoma, Orange and Los Angeles Counties were California's top ranking poultry producers in 1960.

NEW DRUNK DRIVING CODE FOR STATE IS URGED IN CLUB VOTE

SAN FRANCISCO—Adoption of New York code provisions on drunken driving was urged for Califronia today by a membership vote of the Commonwelath Club of California.

The club's secret mail ballot followed circulation to all members of the published report of the club's study section on alcoholic beverage problems containing pro and con arguments on all issues in the poll. The section spent two years studying drunk driving before submitting its report.

New York code provisions favored by Commonweatlh Club members included:

1. That any driver shall be deemed to have given consent to chemical tests of intoxication, subject to loss of license. 1,283-621 majority of club members favored this provision.
2. That a bloodstream alcoholic content of less than 0.05 per cent is prima-facie evidence driver was not intoxicated. A 922-742 majority approved this provision.
3. That a blood alcohol content of between 0.05 and 0.15 per cent is "relevant but not prima-facie" evidence of intoxication (Approved by 1,113-528 majority).
4. That a blood alcohol content above 0.10 per cent may be admitted prima-facie evidence of driving ability impairment (Approved by 1,083-573 majority).
5. That a blood alcohol content of 0.15 or more may be admitted as prima facie evidence of intoxication (Approved by 1,297-437 majority).

Club members voted 1,437-475 in support of the state motor vehicle director's policy of suspending drivers' license on initial conviction while intoxicated after hearing if requested.

The club opposed (736-1,153) a proposal that drivers be required to waive rights against unlawful search and seizure in organized roadblocks.

Members favored California's making greater use of mechanical devices to analyze a suspected driver's breath (1,381-507).

Asked, "Does the California Motor Vehicle Code provide adequate penalties for driving while intoxicated?" they answered 904 "yes", 962 "no".

MEN, 25 TO 34 ARE ACCIDENT SUBJECTS

Who is most likely to die or be seriously injured in a traffic accident?

Chances are that it will be a man between the ages of 25 and 34, driving a passenger car, traveling straight ahead on a level open road in daylight hours on a clear, dry day.

In commenting on this capsule summary of the most logical accident victim, Director Robert McCarthy of the California Department of Motor Vehicles pointed out that male victims outnumber women almost three to one and and most often are in their late twenties or early thirties.

McCarthy also warned that in about 40 per cent of all fatal and injury accidents only one vehicle is involved.

"We don't have the full explanation," he said, "but it is apparent that speed combined with split second inattention leads to trouble. At 60 miles per hour a car will travel 450 feet in the time it takes to light a cigarette. While eyes are off the road for this brief interval, radical changes can occur in the traffic picture," McCarthy pointed out.

The DMV director emphasized that two of every three fatal accidents occur outside cities, and that August is the year's most dangerous month on open highways.

LAKE LEVEL

TAHOE CITY — The level of Lake Tahoe Monday stood at 6223.93. Light precipitation was recorded during the series of lightning storms during the past week. The temperature has ranged from 51 to 90 degrees.

DONNER DOINGS

By VIRGINIA O'BEAR

We have been having refreshing showers the past week and everything smells so good afterward. It has been very warm and especially in the evenings which is a little unusual for Donner Lake. Between now and October we should enjoy Indian summer.

* * *

Some of you fishermen might get a kick out of reading something I found in Readers Digest this month. It is on page 199 and the title is "Biggest Splash in the Sports World," by James Stewart-Gordon. It's all about water skiing and I am sure with this increase in water skiing, we fishermen are in for many more splashes with some of the skiiers who give little consideration for the fishermen as well as the sunbathers along the shore. This week several skiiers came right in close to our children fishing and took part of the line along with them. Seems like every year at Donner Lake between the last two weeks of July and the first few weeks of August we seem to get this group of skiiers who make a habit of tantalizing the fishermen and swimmers. Maybe someday we can have the lake patrolled every day as it seems to be getting worse.

* * *

The Auxiliary members of the Donner Lake Volunteer Fire Department will meet at Donner Lake Lodge this August 17th with dinner starting promptly at 8:00 o'clock. Hostesses for the month will be Bobby Lang, Janet Franklin and Donna Warnke. All members are urged to attend and bring along their summer guests and friends or new neighbors. A membership drive will probably start soon, so let your friends know about all the fun we have. The officers meeting will be at the home of Mrs. Robert Pankoke August 14 the at 8 p.m.

* * *

Mrs. Marcella Corro has her nephew here from Honolulu and expects her sister join them this week. Mrs. Helen Roeben and son Eric visit the Corros every summer.

* * *

We may have a telephone booth near the Property Owners Beach soon. If we do not get it before spring time, at least we have that to look forward to. The telephone company has the cable in and it is just a matter of finding the place and a few little technicalities have to be decided.

* * *

I had a chat with Jean Walker this week and she is getting so anxious for her ltle one to arrive. She was given a lovely baby shower at the Donner Lake Coffee Shop July 24th and approximately 35 ladies were present. She received many nice gifts and said the party was a complete surprise.

* * *

If you see a tangerine and white Power Cat on the lake in a week or so you will know it is our demonstrator- It is eight feet wide, 19 feet long, has two 40 horse power motors. We have the dealership now for these beautiful boats and the West Bend motors and we are so happy to represent this company. The boats are safe and guaranteed not to tip over, the motors have a full year guarantee so you family folks who are interested, come out and go for a ride with us!

* * *

Ivan Tofft has a new inboard and he can be seen now and then out with his summer guests skiing. Will have to take a run down and see his new boat soon.

* * *

Arline and Bert Johnson were up from Novato a few weeks ago and Arline rested and relaxed as she is recuperating from surgery. She is looking good and I hope she comes up again soon.

* * *

I haven't had a chance to talk with Bob Pankoke yet but I understand some of our mutual friends have and have been asking him about his operation. I am curious and if our son got his operations mixed, I'm sorry, Bob!

NEW SIGNS POLICY AT NORTH TAHOE

AUBURN — Stewart G. Bryant, county planning director, announced a new policy for group signs in the Lake Tahoe area has been approved by the planning commission.

Bryant said signs not larger than six square feet giving directions to business firms located off state Highways 89 and 28 can be grouped together under the new policy if approved by the commission.

CLUB IN RECESS

TAHOE CITY—The Soroptimist Club of Lake Tahoe is in recess until September 5, Maggie Stollery, the newly elected president, announced. During September luncheon meetings will be held on the first two Tuesdays and a dinner meeting on the last Tuesday of the month.

The Shannon is Ireland's longest river—about 250 miles.

U. S. Army's DAVY CROCKETT Unveiled at Fort Benning . . .

Army

ARMY'S LATEST—mobile weapons system, the DAVY CROCKETT, displayed at Fort Benning, Georgia, during PROJECT MAN, a demonstration recently held to focus public attention on Modern Army Needs. A hand or portable weapons system, DAVY CROCKETT is capable of firing atomic or conventional warheads in support of Army's front line pentomic battle groups. The weapon is scheduled for production in Fiscal Year 1961.

NEW EQUIPMENT IS BEING USED IN BOCA DAM CONSTRUCTION

First application of the electric wheel to earthmoving by a Pacific Northwest contractor is by R. A. Heintz Construction Company, Portland, which is using an R. G. LeTourneau 60-ton electric digger on the Prosser Creek dam job at Truckee.

The big eight-wheel, twin-barrel self loading scraper is operating like a "one-machine gang" on the project, providing 1,000 yards of material per hour for the 2,000,000-yard earthfill dam.

The $2,500,000 bureau of reclamation project, located in the historic Donner Pass area, will impound water to maintain flow of the Truckee River, now seriously diminished by a succession of dry years in the California-Nevada area.

An ancient lake bed deposit containing sand, clay and gravel and overlaid in many places with boulders up to the size of a pickup truck, is being utilized to provide material for the dam.

The diesel electric machine, with motors in each of its eight wheels, is digging and carrying the earth and rock on an average haul of 600 feet to a classifying plant where it is screened to size, with the fine material going into the core of the dam, the coarser stuff on the outside. Operating only one shift, the LeTourneau electric digger easily piles up more material than the screening setup and a fleet of rubber-tired carryalls can process and haul to the dam a mile away in two shifts.

Dean Johnston, general superintendent on the job, said a second pit will be opened as soon as the dam area gets large enough to provide room for more carryalls to operate.

ASSISTANT NAMED IN PROBATION OFFICE

The appointment of Richard O'Shaughnessy of La Habra, to the position of assistant probation officer was announced by Mike Conidaris, Nevada County probation officer.

O'Shaughnessy, who is scheduled to assume his duties no later than August 21, was approved for the appointment by Superior Court Judge Vernon Stoll and the probation committee.

The appointment was at the suggestion of Conidaris.

O'Shaughnessy, 37, has had more than ten years experience in the corrections field.

NORTH TAHOE BRIEFS...

. . . By BETHEL

Enjoying a luncheon at North Shore Club on Monday were friends of ye old days, Lois French of Brockway and Martha Holmes of Yuba City and Mrs. Holmes' daughter, Mary Dwyer of Brockway. The families have been friends since grandparents came to California over a 100 years ago and settled side by side in Placer County near Lincoln.

Kay Campbell and son Scotty is visiting from Las Vegas at the home of Otto and Louise Walter of Brockway. Kay will teach at the new high school in Las Vegas this winter as a home economics teacher.

The V. V. Kientz of Brockway entertained seven guests from Ingle wood this past week. Mrs. Marie Franks, and son, Bob, (Mr. Kientz sister and nephew), Virginia Thompson and children, Buddy, Pat, Mike and Steve, (Mr. Kientz niece).

Mr. and Mrs. Earl Kelley of Medford, Oregon, spent several days visiting with Mr. and Mrs. Lloyd Hall of Kings Beach. Mrs. Hall and Mrs. Kelley were school chums.

Mrs. Julia Hanlon of Chico spent last week with Mrs. Lloyd Hall of Kings Beach. Julia was a former resident of Kings Beach and worked at Nevada Lodge.

COUNTY IS DECLARED HEAT DISASTER AREA

E. L. Turkington, regional director of Small Business Administration, San Francisco, announced that on July 20, the department of agriculture declared a number of Northern California counties, including Nevada, Sierra and Placer, disaster areas because of the drought and excessive heat conditions.

Small business firms in the listed counties suffering substantial economic injury as a result of this condition are eligible to apply to the Small Business Administration for 3 per cent disaster loans.

Applications for SBA disaster loans should be filed with the regional office of the agency located at 525 Market Street, San Francisco.

The Aerospace Industries Association has predicted there will be 70,000 business, pleasure and utility planes in operation in the United States this year.

TAHOE BRIEFS

(Continued From Page 4)

noma, Minnesota, are spending the month of August at their Incline Beach home.

Women's Club of North Tahoe president, Pearl Kientz, announces Thursday luncheon each week for the members and their guests who wish to attend. Last Thursday luncheon was held at Cal Neva with Pearl Kientz Ella Rae Fulton, Pearl Draney, Louise Walter and her guest, Kay Campbell, Bethel Van Tassell and guest June Culbert of San Mateo. Luncheon next week will be at the North Shore Club and all members are urged to bring a guest and attend.

Pearl Draney was hostess at a luncheon on Monday at the North Shore Club with guests, Sophie Levra, Ruth Mizner and Renie Van Buren of Crystal Bay.

The Robert Wigglesworths and children, Brad and Jerry of Las Vegas have been visiting Robert's mother, Sophie Levra, at Kings Beach this past week.

Visitors at the Crystal Bay home of the Norbert and Renie Van Buren were the Mel Wierings and daughters of Walnut Creek, and Darryl Gunther and friend Wendel Dobs, the Streeters, plus one dog—Dalmation—last weekend.

Seen enjoying the Harry Belafonte show at the South Shore Room Friday night were the Harry S. Hoopers of Brockway, Bethel Van Tassel, Tahoe Vista, Shana Petersen, Carnelian Bay and Marty MacDonald of Stateline.

Recovering at home following tonsillectomys are Chuck Bergman, son of the Ray Bergmans of Brockway and Cousin, Allan Newell, 4 year old son of Beverly Newell, Kings Beach.

June and Terri Culbert and Phyl Rhudy of San Mateo, Bethel Van Tassell of Tahoe Vista and Marty MacDonald of Stateline attended the Jack Benny show on Tuesday evening.

Emmajean Hume of Crystal Bay underwent major surgery in Los Angeles this past week. Jimmy flew down to be with her following the operation, and fast recuperation is anticipated. The Humes will visit daughter, Sharon, and family before returning to Crystal Bay.

Flower arranging classes and workshop, ceramic and tile work, will be taught by Lee Aversente at Tahoe Vista, August 15, 16 and 17, 9:30 until 12:30. Call Liberty 6-3842 for enrollment or drop a card, in care of general delivery, Tahoe Vista. Lee teaches flower arranging classes in the Santa Clara Valley and is president of the Campbell Garden Club which has won many awards for outstanding exhibits. She has also presented programs for the Women's Club of North Tahoe.

Mrs. Harold Murphy of Brockway is visiting in Palm Springs.

Guests at the Harry and Ceta Hooper home at Brockway were Hugh and Mary Self of Yuba City, Carl and Sylvia Seager and children of Stockton. Ceta, Hugh and Sylvia are friends from childhood at Hammonton, California.

Karen Diane Decker and Ernest Lyle Damon will be married Sunday, August 27 at two o'clock at Our Lady of the Lake Catholic Church, Kings Beach. Karen is the daughter of Mr. and Mrs. Lloyd H. Decker of Kings Beach. Reception will be held at the Crystal Bay Club, following the ceremony.

Advance notice has been received of the Diablo Decorama to be held September 30 through October 15 at the Diablo Country Club, Diablo, which the various units of the Mt. Diablo Therapy Center sponsors. Last Decorama had people coming from Stockton, the Peninsula, Marin County, Red Bluff and Lake Tahoe. The Decorama has an antique show and sale and decorator's showcase. plus fashion show luncheons and the plush champagne preview party. Mary Doyle Unit sponsor and life member Bethel Van Tassel of Tahoe Vista.

Guests of George and Iris Alerio at Tahoe Vista were Mr. and Mrs. Ed Alerio (George's parents) of San Jose and Myrtle Hathaway.

However, on Monday morning our registration will begin at 9 for all who can get there at that time to be pre-registered for the week's school. The entire community is invited to take part in sending their children from the ages of four through elementary school age.
The teaching will consist of visualized songs and choruses, missionary flash card stories, unique object lessons and class teaching in three different age groups. Each day a color film strip will close the day's activites; these valuable teaching stories are called "Parables from Nature" and teach the lessons from the parables with Disneyland characters which hold the child's attention. No mention is ever made of church affiliation.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Evening services will be held the third Wednesday of the month during July, August and September only.
Mankind's need for a spiritually meaningful set of values will be brought out at Christian Science services this Sunday.
Keynoting the lesson-sermon on "Soul" is the golden text from Psalm 62: "My soul, wait thou only upon God; for my expectation is from him. He only is my rock and my salvation."
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this passage will be read: "Mortals must gravitate Godward, their affections and aims grow spiritual, — they must near the broader interpretations of being, and gain some proper sense of the infinite,—in order that sin and mortality may be put off" (p. 265).
A citation to be read from the Bible (Matt. 16) states: "For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?"

PENALTY IS SET FOR CLOSED PUBLIC MEET

SACRAMENTO—(CNS) — A bill providing up to six months in jail and a $500 fine for elected officials who try to meet in secret was signed into law by Governor Edmund G. Brown.

Brown gave his approval to AB363 by Assemblyman John A. Busterud, San Francisco.

Officials, other than the legislature, already are precluded from holding secret meetings, except to consider national security or the appointment, employment or dismissal of an officer or employe.

The Busterud bill puts penalties into the law. It also provides an interested person could seek an injunction to prevent secret meetings.

Signing of the Busterud bill fills a gap that had been missing in the law since Brown vetoed an earlier bill designed to outlaw secret meetings by including penalties. That bill, AB127 by Assemblyman Frank Luckel, San Diego, also would have nullified any action taken at a secret meeting.

SPEAKERS FEATURE TAHOE CLUB MEET

TAHOE CITY—Thirty members and guests enjoyed the luncheon meeting of the Women's Club of Tahoe held last Thursday at Homewood Resort.

Mrs. Florence Brown, president, and all other officers were present.

Speakers included Mrs. Marie Henry who spoke on disaster and Supervisor William Briner who discussed a convention building which is needed for the Tahoe City area.

A cancer film, sponsored by the club, will be shown at the elementary school August 23 and a doctor will be present to answer questions. The film is entitled "Time and Two Women" and all women interested are invited to attend.

APPLICATION MUST BE MADE IN NEVADA

RENO—Admissions applications and the necessary accompanying credentials must be received from all new students who plan to enroll at the University of Nevada this fall by August 15, the admissions office reminded today.

In issuing the reminder, the admissions spokesman said the deadline must be met in order to insure enough time to process applications, make prompt decisions, and notify students of formal acceptance. In addition, he added, early receipt of admission requests will insure prompt action on the assignment of student housing.

PROBE OF CHARITY DOLLAR IS STARTED

SACRAMENTO — (CNS) — Is your charity dollar going where it's intended to go? Or is up to 75 per cent of it going for plush salaries, offices and other administrative expenses?

The office of Attorney General Stanley Mosk think there's a problem. And part of this belief is based on the number of letters coming in from the public, asking for investigations of various charitable organizations which are soliciting money.

The legislature and Governor Edmund G. Brown must have thought there was a problem too as a $35,000 item was tacked onto the 1961-62 budget for expansion of the staff which monitors charitable organizations.

This work has been done largely, in the past, by Frederic S. Auforth, a field representative of the attorney general. The new appropriation will provide him with two more clerks and three auditors, designed to clear up the two-year backlog in audit reports which now exists.

CARE WITH BRAKES URGED BY PATROL

The driver's natural reaction to apply the brakes in time of emergency can be a fatal mistake in case of a blowout, Lieut. O. P. Ledford, officer in charge of the California Highway Patrol's Truckee substation said.

"Forceful braking can send your car into a dangerous skid, or possibly a rollover, when a tire blows out. The safest procedure is to let the car slow down before you brake.

"If a tire blows, grip the wheel firmly, holding a straight, even course until the vehicle slows to the point where you have absolute control. Then apply the brakes smoothly with moderate pressure."

Blowouts, though infrequent, tend to occur more often during summer months becauses of the added strain placed on tires by extreme heat, the captain said.

CAUSEY WINNER IN RENO AUTO RACES

Harry Causey of Truckee was victorious for the second time in the challenge race at the Reno car races Saturday. Arlan Robinson won the first lap of the three-lap event but Causey out maneuvered him to take two out of three. Causey also turned in the fastest time of the evening.

The local driver has been challenged by David Prather of Sparks.

In the main event Ron Gautsche drove a sure and steady course to third place. Gautsche was closely followed by Causey who finished fourth. Red Harris blew a tire in the second lap of the main event and was forced out of the race.

Causey remains in second place in the point standings, 15 points behind Bob Baker of Reno, with 411 points. Gautsche has a firm hold on third place in the standings with 353 points. George Davis and Red Harris are 10th and 11th respectively. Davis has 257 points and Harris has 236 points.

SPORTS CAR EVENT AT SQUAW AUG. 25-27

SQUAW VALLEY — The Northern California Sports Car Council will sponsor the first annual Sports Car Olympics August 25, 26 and 27 on the roads of the site of the 1960 Olympics.

The events will include an autocross, gymkhana, hill climb, fun rally, Monte Carlo rally and a time and distance rally.

For more information and for entry blanks write to Ed Dunckelmann, 1148 Greenbriar Avenue, San Jose 28, California.

DEPARTMENT CALLED

The Truckee Volunteer Fier Department was called out Sunday afternoon to extinguish a grass fire between the railroad and the highway just south of the Owens home. No damage was caused.

RECREATION NAMED AS LEADING ASSET AT COUNTY SESSION

Recreation was pointed out as the leading economic asset of Nevada County at the all day Economic Development Conference held in Grass Valley Saturday at which approximately 80 were present.

R. Dean Thompson, president of the Nevada City Chamber of Commerce presided and Cecil Edmunds of Truckee was among the speakers.

The meeting was divided into six panels, members of which discussed the following subjects: County Water Resources, Effects of Forest Products and Recreation to the County's Economy, Recreation, Industry and its Potential in the County, Agriculture and Mining, and Planning for Growth and County Development.

On each panel were one or more representatives of the California State Economic Development Agency.

The eastern end of the county was represented by Judge Fosten Wilson and Edmunds, the latter being on the panel for Planning for Growth and County Development.

Both national and state forestry representatives stressed the need for forest protection and development in the county and pointed out the possibility for Christmas tree farming. They explained that 80 per cent of the Christmas trees sold in California are imported from out of state.

Chamber Meet

(Continued from Page 1)

at the meeting held at Smart's, the chamber voted to sponsor the dedication program for the new Truckee post office expected to be held early in October. The date, Postmaster Richard Higgins explained will be announced later, but he expects to be in the new building before the end of this month.

Some 40 postmasters, state officials and local business people will take part in the dedication ceremonies, Higgins explained.

County Planning Director William Roberts spoke briefly, offering his assistance in making the needed survey of the district, combining it with a general study report of the entire county. Another speaker was Dean Thompson, president of the Nevada City Chamber of Commerce and editor of the Nevada City Nugget. He was accompanied by Mrs. Thompson.

Dolley reported that petitions are being circulated calling upon the board of supervisors to call a special election for the formation of a recreational district in the region.

Other guests at the meeting included C. B. White, a past president of the chamber, now retired and Willard Pippitt, safety director for the department of industrial relations of California. Ivan Tofft presided.

trol of the vehicle on the slippery roadway.

Other Mishaps

Three people were injured two miles north of Tahoe City Saturday at 2:50 p. m. when a car pulling a house trailer and driven by Steve Vegh, 41, Paramount, got out of control and crashed. Vegh said he suffered an asthma attack and lost control.

The driver, his wife, Lillian, 42, and their son, David, 14, were injured but not seriously.

B. Bruce Miller, 42, and Thorey Miller both of Kings Beach were hurt when the car they occupied was struck in the rear by one driven by C. C. Leeser of Sacramento Saturday at 4:30 p. m. Miller had stopped his car at the construction zone when the second car crashed into the rear of his vehicle.

Maguel Martinez of Truckee was cited after his car and one driven by Claude H. Jones of Carson City collided near Donner Summit Friday at 5:30 p. m. Jones was attempting to pass the Martinez vehicle when the latter made a turn. He was cited for not signaling. No one was hurt.

Bill Michael Comola, 16, son of Patrolman and Mrs. Nick Comola, suffered injuries at 1 a. m. Wednesday when he feel asleep at the wheel of his car a mile west of Donner Summit Lodge and the vehicle ran into the rocks and was demolished.

William F. Keifer, 31, North Sacramento escaped with broken ribs and other lesser injuries when his car plunged off Donner grade just above Observation Bridge at 4 a. m. Wednesday.

Lance J. Kiley, 18, Sacramento, employed near here as an engineer's helper, was treated for injuries at the hospital after his car crashed into the rear of a truck driven by Clayton J. Williams of Sacramento near Donner Summit Lodge at 7:25 p. m. Tuesday night.

Golf Events

(Continued from Page 1)

details. A qualifying round of 18 holes must be played within the next two weeks to determine the proper flights followed by playoffs in these flights which will eventually, by elimination, determine the winners.

It will take some time to stage the playoffs and the deadline for this affair will be presented at an annual dinner-dance affair, the location yet to be determined. Beginning now and to be completed in September is a womens 'electic' which consists of 10 nine hole games, played at the ladies convenience. Signup sheets for all three of these tournaments will be posted in the club house at the golf course and those interested in one or all should be signed up as soon as possible after next weekend. Call Lauren or Norma Russell for further details.

Local rules on the course must be followed and all are asked to read them on the club house bulletin board.

DEADLINE NEARS

Yearly proof of labor or assessment work deadline for unpatented Nevada County mining claims is noon September 1. The Nevada County recorder's office urges all claim owners to complete their work and file before the above date. Necessary forms for above work may be obtained at the recorder's office in the court house, Nevada City.
